Forecast for Saturday 19 Jun 2021

Weather: Low cloud, mist and drizzle in the morning, most extensive around Ben Lawers and the south, drier and brighter across the northern Aberdeenshire hills. Low cloud is likely to lift by the afternoon, but showers breaking out, most likely across western ranges. Cloud lowering again in the evening with showers continuing.

Chance of cloud free mountain/hill tops above 800m: 20% in the south, 60% in the north.

Visibility: Good outside of low cloud, but often poor in the south. Cloud above 600-700m early morning, most extensive south of Deeside. Cloud lifting to around 900m by the afternoon, but mostly above the summits across northern Aberdeenshire
